

Retail Kiosks

Dual screen self-service betting kiosks by United Tote.

FSB retail solutions plug into our market leading Custodian backend providing real-time visibility and control of sports and casino betting activities.

Self-service Betting Kiosk - FSB partnered with United Tote as it's preferred supplier of EPos & Kiosk hardware. Kiosks can be fully customized and localized based on your offers and promotions. Self intuitive customer interface (UX) with all popular bet types, cash out functions, bet builder and in-play betting. Cash in/ticket out. Top screen is controlled by CMS for branding & promotions.
